

Checklist for LD (Learning Difficulties)

This quick and easy assessment checklist will give you valuable insight into whether your loved one may be suffering and needs further professional evaluation.

1. Dislikes writing and drawing
2. Poor Handwriting
3. Omits letters from word and words from sentences
4. Poor spelling
5. Inaccurate copying
6. Confused in similar looking letters, forms mirror images (e.g. p-q, m-w, b-d)
7. Reverses words (e.g. reads 'was' for 'saw')
8. Poor comprehension of main ideas and themes
9. Difficulties with math concepts
10. Incomplete school work
11. Guesses unfamiliar words while reading

If one or more of these sound familiar, it indicates a need for further evaluation and intervention.
